## Welcome to another edition of Beeston Regis News.

I hope everyone is enjoying the somewhat belated summer weather. In the past we have published our Annual Report around now but have decided against it again. It concerns matters relating to the last financial year and is probably best described as "old news" by now. It is of course available to view on our website, details below (go to meetings/minutes and agendas), but we have included the Income and Expenditure Statement on page 2. I am happy to report that the Parish Council continues to operate within its budget, although we have found it prudent to increase our precept for the 2024/25 year. This was felt necessary to cover generally increased costs such as electricity for our 58 street lights and also to put a reserve fund in place to cover future replacement costs of the LED light units. Although there is no definitive lifespan of the lights, they are no longer under warranty and at some point will begin to fail. You may have noted from your Council Tax bill that the Beeston Regis portion was shown as a whopping 12% increase - in reality that was increase of £3 per year per household (Band D) and the contribution per band D property still sits at around 60p per week. The Council held a very successful D-Day Commemoration back in June with an attendance of over 200, details inside. More recently our Merchant Navy Day Commemoration was a great success, also covered inside.

These events are put together by our Vice Chairman Roy, who continues to tirelessly put the effort in to make them a success. He is working hard on the 625<sup>th</sup> anniversary of the creation of Beeston as a Regis and advance notice of this event, and the "scrapbook" planned are also here on page 3.

As always, should you have any issues that you think the Parish Council should address or can help with, please initially contact the Clerk.

Michael Knowles, Chairman.

# To mow or not to mow that is the question?

The parish of Beeston Regis is defined as being in the "Countryside" in the North Norfolk Local Plan, and we think you will agree we have an abundance of flora – trees, hedges and verges to keep the insects and other beasties happy. The parish council have a legal duty to consider bio-diversity. In doing so your council have to balance the urban street scene in our settlements particularly Regis Avenue, Priory Close, Caxton Park and Abbey Park with our responsibilities, and to this end the parish has a contract with a landscape gardener to keep the urban areas under our control nice and tidy. However, there are some areas within the area which are not under our control where the verges have been left unmown throughout the summer, particularly in Britons Lane Close, Robyns Road and the area adjacent to the bus shelter. These areas have now recently been rough cut. Any thoughts are welcome:

# Hymns & Pimms and "Regis" (625 Years)

Beeston-next -the Sea was part of the Lancaster inheritance and it became Beeston Regis\* (\*of the King) when Henry Bolingbroke, the Duke of Lancaster was crowned King Henry IV at Westminster Abbey on 13th October 1399 625 years ago We missed the 600th anniversary in 1999 as everyone was concentrating on the millennium which began on 1st January 2000 so, we are making up for lost time by having a celebration on Sunday 13th October this year combining it with the annual Hymns & Pimms service followed by a Beacon Lighting. All taking place at All Saints Church, commencing at 6.00pm. This will be another free event so all are invited. Look out for further details on our notice boards and website beestonregis.org.

# Scrapbook

On our bus shelter we have the words "Beeston Regis-small but interesting"

Many of you are new to the parish and with the help of a local historian we are beginning to put together a scrap book of interesting stories - there are more than you think!

If you have any interesting stories or anecdotes please contact our Vice Chair Roy gwroybeckley @gmail.com or 01263 837619

## D Day 80

Your Council commemorated the national D-Day 80 with a free Concert and Beacon Lighting on the evening of Thursday 6th June at All Saints Church, It was an evening of music and songs from the 40's with the Cromer & Sheringham Brass Band and the a Cappella singing group "Hummingbirds". There was much audience participation, and the event was attended by over 200, a very pleasing result! The lighting of the beacon followed, lit by a local parishioner, Stuart Dallimore, the son of Acting Sgt Leslie Mons Dallimore who landed on the Normandy beaches and was later awarded the Croix De Guerre for an act of bravery in the push towards Paris. In the morning, prior to the concert, the D-Day 80 flag was hoisted by another parishioner, Geoff Littlemore, whose father, then aged 19, and the rear gunner in a Lancaster bomber piloted by a 20-year-old Australian returning from a raid over Germany over flew the Channel and saw the armada heading for the beaches in the early hours of D Day. The concert collection raised £600, shared by the 'Help for Heroes' charity and the Church.

# Merchant Navy Day Commemoration.

For the Merchant Navy Day commemoration on Sunday 1<sup>st</sup> September at All Saints we were joined by members of the Sheringham RNLI lifeboat group who are celebrating their 200<sup>th</sup> Anniversary.

We were also pleased to welcome The Revd. Canon Thomas Woodhouse, Chaplain, The King's Chapel of the Savoy within the Duchy of Lancaster, Chaplain of the Royal Victorian Order, Deputy Priest-in-Ordinary to HM The King. King Charles III is, of course, the patron of All Saints. Thomas then took the following service in the Church.

## Proposed New Recycling Centre.

Norfolk County Council approved their own planning application for the new Sheringham Recycling Centre despite objections from NNDC, the Parish Council and many others. No date has been set for when the construction will commence. In the meantime, watch out for the new booking system for visits to the existing site which will be closed on a Wednesday.

This development, first proposed 10 years ago, is nearing completion and will bring back into use the derelict farm buildings which is good to see. Although this small development does not have any "affordable" homes a significant sum has been paid by the developers into the NNDC affordable homes kitty.

#### New Councillor.

And finally, a warm welcome to our newest Councillor - Janice McPhail who lives in Caxton Park, Janice has a very impressive CV and will be a fine addition to our group.....and a polite reminder to anyone who may be interested: BRPC still has one vacancy!

# The Beeston Regis Charities of Edmund Hooke and Unknown Donor.

he Charities were founded over 300 years ago to help those in need living in Beeston Regis or within the ancient parish of Beeston Regis (which then stretched up to Beeston Road in the vest). If you, or your family living with you, are in need of financial assistance the Charities may be able to help. Grants may be made for a variety of needs such as provision or repair of necessary equipment, unexpected expenses associated with illness or bereavement and the like ncluding costs of visiting loved ones in hospital. Unless arising as a result of sudden and inforeseen problems the Trustees are not able to make grants to clear existing general debts such as Council Tax etc. However, in these uncertain times we are all facing different financial ssues and the Charity may be able to help - please do not hesitate to ask. All enquiries will be reated in the strictest of confidence. In the first instance contact the Parish Clerk - Peter Bullimore, 24 Beech Avenue, Sheringham. NR26 8NS 01263 822864 or e mail
